A BYRD ON THE WING.

We exposed the opinion recently that the people of Wolfe County ought to remove the county seat to Hazel Green, and now comes a luminous Campton cure, and now comes a luminous Campton cure, and now comes a luminous Campton cure.

We could bear this as patiently as Job did his "own bunions," but he "incomprehensibly" insinuates that we have been "looking through a glass darkly," and that the application of a "cat-in-the-hat" is absolutely necessary to restore our mental equilibrium, and prevent a recurrence of "logical outcroppings."

Now this is "ou-purty," to say the least of it. But we want to say that the "Athens of the Mountains," the little almanac-like Gem, and the meddlesome editor, stand this issue from the throat of the sweet warbler of the Swift Camp groves, and not just or grow into the heart of Hazel Green to be a "Why all these slings at her?"

Not one of your county towns! It would seem to us that its church, its college, its newspaper, its palatial residences, business houses, mechanic shops, and all its refined culture and religious population ought to excite your admiration, and bring forth

HAZEL GREEN HERALD.

One Dollar a Year, Advance in Advance.

STENOGRAPHIC COOPER, 11 E. BENTON.

HAZEL GREEN, KY.: WEDNESDAY, FEB. 16, 1887.

ANNOUNCEMENTS.

We are authorized to announce Hon. R. M. Foss, of East Morgan county, as a candidate for the State Senate from the Thirty-fourth District, subject to the action of the Democratic party.

We are authorized to announce J. J. CLARK, of Meigs, as a candidate for the Legislature from the district composed of the counties of Meigs, Mingo, Montgomery, Powell and Wolfe, subject to the action of the Democratic party.

We are authorized to announce T. P. COLLINSWORTH, of Meigs, as a candidate for the Legislature from the district composed of the counties of Meigs, Mingo, Montgomery, Powell and Wolfe, subject to the action of the Democratic party.

We are authorized to announce J. M. OLIVER, of Frankfort, as a candidate for the Legislature from the district composed of the counties of Meigs, Mingo, Montgomery, Powell and Wolfe, subject to the action of the Democratic party.

The latest news from our sister county of Magoffin is to the effect that the Standard Oil Company has succeeded in leasing about fifty thousand acres of land, and the prospects are that the song of the spring bird will be accompanied by the merry dance of the drill. This is good news, for if the surface indications amount to anything, right under our feet is a vast mine of liquid wealth, and the Standard has ample means to bring that wealth to the surface. There are numerous oil springs in this section, and the geological formation is similar to that of the Pennsylvania oil field. It is well known that oil wells run northeast and southwest. By consulting a map it will be seen that we lie southwest of the Pennsylvania oil region. Oil springs along Oil Creek and the Allegheny River induced Col. Drake to drill the first oil well in 1859. Very few had any faith in his theory, but, after many discouragements he reached a depth of seventy feet and struck a vein of oil which yielded seventy barrels a day. This small well in the ground opened the way to millions of wealth. Oil was found along Oil Creek at about an average depth of 500 feet, but in the Bradford field many of the wells are more than 2000 feet deep. Of late the Standard folks have been investing some of their spare millions in railroad property. The New York and New England railroad recently passed under their control, and J. A. Roosevelt, a prominent Standard stockholder, was elected president of the road. If the report be true that this company is the present owner of the Kentucky Union, it means that the wheels of the locomotive will soon awaken the echoes among these mountains. It is customary to throw stones at this company. Foully they do manifest a little too much enterprise in the refining business, but they are square in their dealings, and mighty good for what they own.

The announced candidates for the various State offices on the Democratic ticket, subject to the action of the party in the May convention, are as follows: For Governor—Senator John D. Harlan, of Madison; Senator A. S. Berry, of Campbell; Gen. E. B. Becker, of Hart; Judge T. S. Hines, of Warren; Col. A. C. Holt, of Callaway.

For Lieutenant Governor—Hon. Joe Gardner, of Magoffin; Hon. James W. Bryan, of Kenton; Hon. James R. Read, of Jefferson.

For Attorney General—Gen. P. W. Hardin, of Mercer; Judge A. E. Richards, of Jefferson.

For Auditor—Gen. Fayette Hewitt, of Hardin; James E. Smith, of Fleming; John W. Rogers, of Woodford.

For Treasurer—Capt. Barry Scott, of Franklin; Hon. James W. Tate, of Woodford.

For Superintendent Public Instruction—Rev. J. Deas Pickett, of Fayette; A. M. Goodnight, of Simpson; E. Porter Thompson, of Owen; H. K. Taylor, of Logan.

For Register—Hon. T. H. Corbett, of McCracken; Hon. W. H. Houston, of Boyd.

It is only a matter of time until this will be the Eden of Eastern Kentucky. With the Standard Oil Company in possession of the Kentucky Union railroad and the lanes of a vast tract of oil land, our prospects are brightening very fast. Besides there are other lines of railroad pointing to this section, and other powerful companies seeking investments in coal and timber and iron lands. In the west by and by industry will supplant the idleness that now rules, and then money will flow to us in a swift stream. Be patient, and do all you can

to encourage the coming of capitalists, and you will soon reap your reward in the development of your resources now lying around loose. If the oil fields of Magoffin pan out, we may reasonably expect this company to push on through Breathitt, Wolfe, &c. In event this should prove the case, we will have a railroad to this place inside of two years. Then will this country take her place among the busy marts of the world.

A large and enthusiastic meeting was held at the court house Thursday. It was presided over by Judge George W. Crockett. It was composed of merchants, bankers, proprietors of saw mills and distilleries, with a good sprinkling of working men. It was a representative meeting, and a great deal of interest was manifested to secure another railroad from Frankfort. A committee was appointed to confer with a similar committee from the counties through which the railroad is to go, and another meeting will be held in this city Monday, to hear their report.

The road will be run through the Stamping-Ground and on to Georgetown, thence to Paducah, on to Mt. Sterling, and thence to Salsburg, in Magoffin county; and thence on to Prestonsburg, being 100 miles from this city. The road and its connections will go through the coal and iron fields of Kentucky—Frankfort, Argus.

The above road is destined to pass by way of Hazel Green, and if the company meets with proper encouragement, it will doubtless be built at an early day. Our people are too poor to give money, but many of them can donate bridge timbers, building stone, right of way, &c., and we believe they will do so. We would like to hear from all who are interested, and disposed to assist this grand enterprise of developing the resources of Eastern Kentucky, and will take pleasure in publishing their names.

Hazel Green Academy.

The directors of the above school take pleasure in announcing to the public that highly satisfactory arrangements have been made for the opening of the school on Monday January 30, 1887. Three competent teachers have been employed and their services secured for a term of years. In making this announcement we feel justified in asserting that the school will be an institution which will reflect an honor on this portion of the State and unsurpassed even by the more pretentious similar institutions of the large cities. Located in a favorable geographical situation, healthy, well, free from vicissitudes of climate, and with a strict oversight looking to the protection, comfort and mental training of the students, parents can rely upon their children being safe while under the care of the faculty and trustees. The attention of young men and ladies who expect to study is especially called to the advantages to be gained in this school at a nominal cost. For terms of admission and further information apply to W. O. Day, Hazel Green, Ky., or J. W. McGraw, Lexington. Trustees—J. T. Day, G. B. Swango, W. O. Day, Hazel Green, and Prof. J. W. McGraw, Lexington, Ky.

HARD TIMES!

DOWN GO THE PRICES.

We are now receiving another LARGE AND WELL SELECTED STOCK of every variety of Goods to supply the demands of all our customers, at Wholesale and Retail, which we PROPOSE TO SELL FOR CASH, or exchange for goods of our own selection. We have often tried to establish a trade on a Cash basis, but have as often failed. We have also notified our friends and customers of the DISASTROUS EFFECTS OF THE CREDIT SYSTEM, and our intention to reform our business, but little attention has been given to what we have said. Now we intend to establish upon the ruins of the old credit system a STRICTLY CASH BUSINESS, which will enable us to sell you goods

Cheaper Than You Have Ever Bought Before.

We, in particular, invite the attention of RIVER MEN and others to our large stock of CLOTHING, DRY GOODS, &c., &c., which we are offering at special low prices for cash.

To all of our customers having accounts due, we most earnestly solicit to come forward and make settlements. You owe us to do so as well as to yourselves as honorable men.

We will sell you goods cheaper than you have ever bought them before; we can better afford it, because we will take no risk on time. Respectfully, J. T. & F. DAY.
